

# Roof Access Hatch

## CLEAR DOUBLE GLAZED

A high quality roof hatch, our double glazed roof access is a fully engineered prefabricated unit, manufactured with the best available materials, that allows the introduction of natural light into your access space making it safer for users. Great for either commercial or residential use.

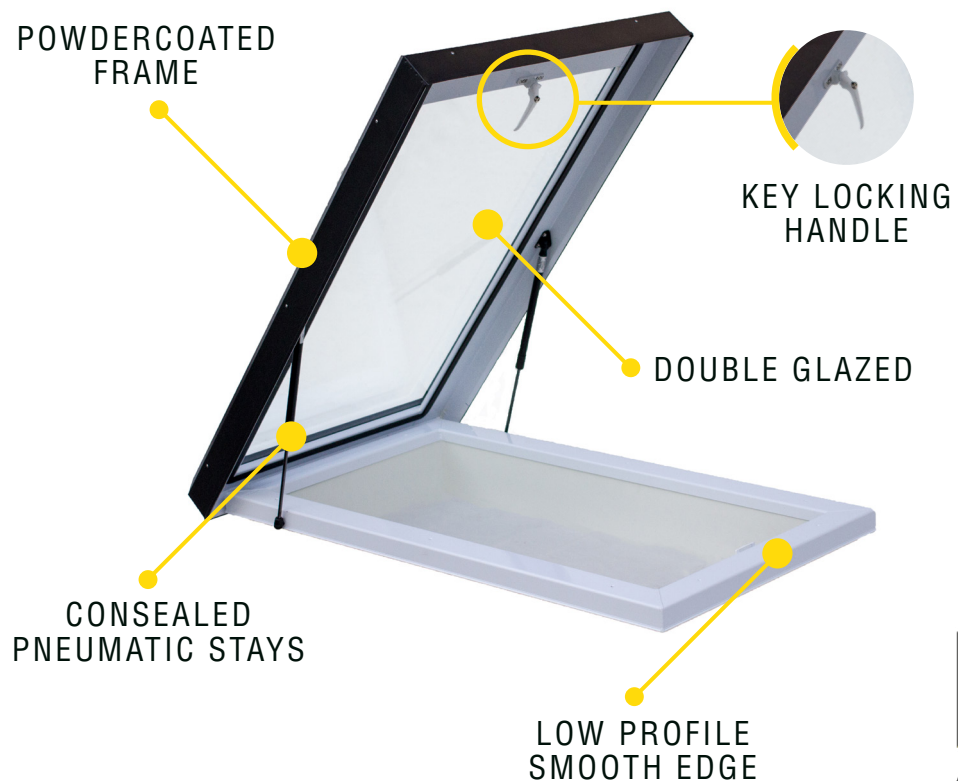

Each hatch is fitted with a internal handle and pneumatic stays for a safe, effortless manual opening up to 80°, offering easy access to the roof. Upstand mounted for a simple and smooth install process with an internal fixing system.

Providing  
safe & easy  
roof access  
from inside  
the building.

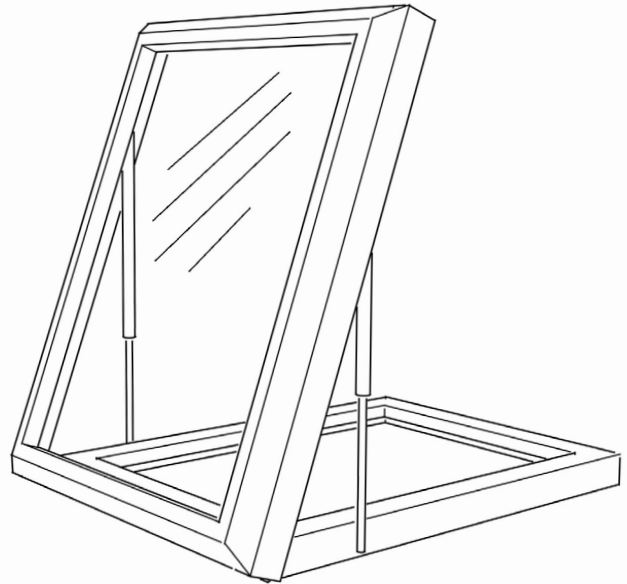

Available in 7  
standard sizes  
and also  
customizable.

### OPTIONS:

- > Obscure Glazing
- > Tinted Glazing
