let life in 

At Adlux we believe there's life to be found in every home. Our joy is in bringing yours to light.

As a family business with a friendly and capable team, we specialise in the design, supply, and installation of a range of window, lighting, outdoor and roofing solutions for residential and commercial projects.

With bespoke approach, we'll work with you to find the best solution for your project.

Whether locally produced or sourced internationally, we'll help you access and choose from a range of world-class, contemporary products that combine style with seamless function.

All of our products are rigorously tested for quality and New Zealand living condition.

They are designed to enhance your environment for years to come.
